

How Can We Recycle Garbage?

Today is recycling day.

“There’s a lot of garbage,” says Mrs. Peggy.
“Don’t throw them away. Put them in the bins.”

“What are these?” asks Lucy.

“They are recycling bins,” says Mrs. Peggy.

“Recycling?” says Chris.

“Recycling means using things again,” says Mrs. Peggy.

“Can we recycle newspapers?” asks Lucy.
“Yes! Put the papers in the blue bin,” says Mrs. Peggy.
“How can we recycle them?” asks Chris.

“We can make books and cereal boxes with recycled paper,” says Mrs. Peggy.
