These are the Whites.
They are all sick except for Mrs. White.
“What’s wrong with them?” says Mrs. White.

Jay White did not wash his hands after using the bathroom.

He sucked on his thumb.
"Wash your hands," said Mrs. White.
"No!" said Jay White.

“My stomach hurts,” says Jay White.
“Look inside your tummy,” says Doctor.
“There are germs! They make you sick.
Wash your hands and don’t suck on your thumb.”
“Okay,” says Jay White.
